

Go Ahead, Take the Money.

You've Earned It!

Does this message sound too good to be true?
It isn't. You're not dreaming.

If you earned less than \$36,000 in 2005, you may qualify for the Earned Income Tax Credit (EITC) and free tax preparation help. Eligible individuals or families may receive a tax refund up to \$4,400!

Qualifications for the EITC refund and free tax preparation services vary depending upon family size and filing status. To find out if you and your family qualify, contact your local office at the number located at the bottom of this flyer.

To help you keep 100% of the refund, localities throughout Virginia are offering free tax preparation services by certified volunteers from January through April 15, 2006.

Why pay expensive tax preparation or rapid refund fees? Well-trained, volunteer tax professionals can prepare and e-file your taxes at no cost to you.

Put your tax return to work for you! Open a savings account, pay bills, and improve your credit. Don't let this opportunity for additional income pass you by. Take the Money. *You've Earned It!*
